

## How to Write an Angel Letter

April 12, 2015

Dear Aunt Sally,

I hope you are doing well. I am writing this letter because this summer, I am going to be traveling to \_\_\_\_\_ to attend a \_\_\_\_\_ with my Church, St. Joseph's. Explain the trip you are going on, what is it, how will it help other people, how will it help you grow closer to God?

This will be my first summer attending a conference like this, but I had a lot of friends go on a similar trip last year. They said that through this trip they were able to experience God through the prayer experiences at the program, get out of Moorhead for a bit, and have some fun. I am looking forward to this trip this summer. (Write something personal about why you choose to go on this trip such as this paragraph above)

There are two things that you can do to help support me on this trip:

1. Pray for us. Please pray for us to have a safe trip. Please pray for us to experience God through the people we serve. In general... just pray for us.
2. Sponsor me. Each of the young people going on this trip is asked to raise funds to pay for the bus, equipment, etc. We are raising these fund through our fund raisers (car wash, bake sales, etc). We are also raising funds through sponsors like you. Every dollar that you sponsor through this Angel letter will go into my personal account.

If you would like more information on \_\_\_\_\_ you can find it here: (website)

I look forward to talking more about our plans for the trip next time I see you. Thank you for your support both financially and spiritually. Thank you especially for your prayers.

If you would like to support my trip financially, you can simply write a check in my name and send it directly to me. I promise that all the funds I raise will go directly to the cost of this trip.

Blessings to you and thank you again for always supporting my different passions,

<><+

Melissa Hund-Cerna

Make sure to actually hand sign the letter too.

You might also like to print off information about the event and send it in the letter.
